To: All Leagues

Dear Secretary,

Can I please draw your attention to the following F.A. Regulations in relation to kits, these states:

***All Match Officials in Competitions under the jurisdiction of The Association and Affiliated Associations must wear uniforms comprising a plain shirt which shall be almost entirely black with white collar and black shorts.***

***No Competition or League below Contributory Leagues Level is permitted to allow any team to register or play in shirts the colour of which is likely to cause confusion with the outfits worn by the Match Officials (i.e. Black or very dark Blue).***

We request that you inform your Member Clubs of these regulations prior to the start of next season.

There are no exceptions and Leagues are asked to fully enforce this regulation as match officials have been informed they are not allowed to wear any strip which does not conform to the above.

Regards

N. Horne
