

Dear Colleague,

Please note that FA Regulations now state that any official who wishes to be promoted must inform the Association by no later than 1<sup>st</sup> June.

Therefore, when the promotion forms are sent with the re-registration packs in April, those officials wishing to be promoted during season 2008/09 must reply by no later than **1<sup>st</sup> June 2008**.

**Any official replying after this date,  
will not be considered for promotion.**

Kind Regards,
